# Where Families Have Vacationed Since 1959!

---

Welcome To Lakewood Camping Resort, the first family-owned campground in Myrtle Beach, SC. Where families have vacationed since Carl and Marion Perry founded it in 1959.

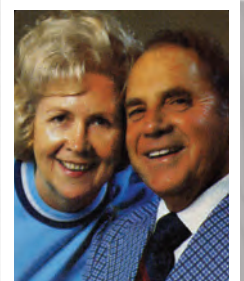

We appreciate you choosing Lakewood Camping Resort as your vacation destination. We hope you enjoy your stay with us!

Lakewood Camping Resort was the first privately owned campground on the Grand Strand. We have become the best place in Myrtle Beach for families to vacation. This is why it's no surprise that we were named the National RV Park of the Year and Best of the Carolinas multiple times. We are also proud to have been awarded the "Plan-it-Green" award for our efforts in being Eco-Friendly.

Here at Lakewood Camping Resort, we have always embraced a camping culture that encourages interacting with people who want to be a part of the journey, not just the destination.

It was once said that "everywhere you go somehow becomes a part of you." We hope that Lakewood will become a part of you somehow and that you'll take a piece of what you experience here back with you.

# Welcome to Lakewood Camping Resort!

My name is Kevin Strickland, General Manager of Lakewood Camping Resort. On behalf of the Perry family and our entire team, we are honored that you have chosen to stay with us. While you and your family are with us, we hope that you make memories and friendships that last a lifetime.

Lakewood has always been home to me, beginning at a very young age when I visited once my family purchased a villa of their own.

**We sincerely thank you for choosing Lakewood Camping Resort and hope you have a comfortable and enjoyable stay.**

Early in my time at Lakewood, I held many different positions throughout high school and college, such as working the pedal boats, the front desk, McDonald's, High Steppin' crew, and graphic design. Before returning home to Lakewood Camping Resort in August 2020, in the banking and mortgage industry.

My wife, Jessica, and our son, Slade, both love the entire Lakewood community as much as I do, and we look forward to seeing you throughout your stay.

Taking the reins during COVID-19 wasn't an easy task, but it allowed me to take the time to begin making improvements around the resort. Today, you will find newly renovated indoor and outdoor pool areas, new private poolside cabanas, our freshly remodeled Beach Bums Coffee House, our brand-new Seaside Cantina, new bicycles and pedal boats, options for site selection, additional paved sites, new LCRewards Membership Program, family grilling area, and more exciting things still to come! Please don't hesitate to let our team know if there's anything we can do to make your vacation with us more enjoyable.

Kind Regards,

**Kevin Strickland**  
General Manager

# Lakewood Ministry

From the beginning, Lakewood has been known for its Christian ministry, offering special events, worship services, fellowship groups, and activities for children and youth. Our beach parties are held weekly from Memorial Day weekend through Labor Day each year, bringing hundreds together for family fun. Gospel music concerts ring out from our "Theater by the sea" on Friday evenings during this same season and feature some of America's favorite artists. Sunday worship services are held throughout the year, offering the hope and encouragement found only in Christ.

The Lakewood ministry provides all of this free and is open to all. You will want to check out the ministry schedule when arriving at Lakewood and see what fits into your plans.

Our ministry regularly recognizes veterans and celebrates our freedom in America and praise for our country - we believe you will find refuge here.

God Bless!  
Lakewood Ministry

High Steppin' Country is the longest-running live show on the Grand Strand and has been the launching pad for many successful careers. Past cast members have gone on to perform on Broadway, television, and in movies. High Steppin' Country was the starting place for Country Superstar, Josh Turner.

High Steppin' Country is a high-energy, two-hour variety show featuring a range of music, including '80s, old and new country, gospel, and patriotic medleys. It also includes a children's section, inviting kids on stage to participate in the show. It's a great time for all ages! And you can only see it in Lakewood's Theater By The Sea - the only outdoor, beachfront amphitheater on the Grand Strand.

High Steppin' Country is free to all guests of Lakewood. All you have to do is reserve your seats at the Information Center. However, since High Steppin' Country is such a popular and iconic part of Myrtle Beach entertainment, it is open to the public. So, reserve your seats early!

# Getting Around The Resort

## Golf Cars

Golf cars are probably the most popular mode of transportation around the resort. Getting around and enjoying Lakewood Camping Resort is easier and a whole lot more fun with our Golf Car Rentals. Golf cars are an excellent way for guests (licensed driver, 16 years and older) to tour our almost 300 acres.

Golf cars may be rented from Graham Golf Cars' on-site facility ONLY. No personal Golf Cars or Rental Golf Cars from outside Lakewood Camping Resort are allowed for camping or vacation rental guests.

Graham Golf Cars also offers full-service sales and service of new and used golf cars on-site for our annual residents.

For more information or rates, call 843-447-7422 or 866-213-3978.

- PERSONAL GOLF CARS & NEVs ARE NOT PERMITTED except by those guests with Annual Lease Sites or RV Storage, and then ONLY when the Annual Lease office issues a permit.
- Electric-powered "Mobility Scooters" for the disabled are permitted with special prior permission from the management. Guests who have been issued a valid state-issued disability parking placard or card must provide it prior to arrival and again upon arrival with a valid photo ID. Mobility Scooters will be inspected upon arrival to ensure approval.
- Golf cars may be rented from Graham Golf Cars onsite facility ONLY; reservations are not required. For rates and information, call 843-447-7422.
- You must be at least 16 YEARS OLD and have a valid driver's license in your possession to operate a golf car. (Beginners permits are not acceptable).
- Golf cars operating after sunset must have lights turned on.

- Flags on golf cars are not to exceed 2'x 2'. No whip antennas or extended post mounted flags are permitted.
- A maximum of 5 people per golf car at any given time. 8 people max per limo golf car.
- Operating golf cars during quiet hours (11 PM – 7 AM) is not permitted.
- Playing loud and/or vulgar/explicit music is not permitted.
- Anyone in violation of these rules will be fined \$100 and/or the loss of golf car privileges, with no refund of rental fees or annual permit fee.

## Bicycles, Electric Scooters, Skateboards & Roller Blades

- Bicycles, skateboards, and roller blades are not allowed on any pool deck, in the Trading Post, River Town Golf, the Arcade, Theater, Information Center, Registration Office, Coffee House, Creamery, or on any public walkway.
- Outside of standard cars, trucks, and RVs, no motorized vehicles are permitted in the resort, including, but not limited to, ATVs (both 3 and 4 wheelers), NEVs, motorized scooters, motorized bicycles, mini-bikes, slingshot trikes, dune buggies, hoverboards, Segways, personal golf carts, and utility vehicles.
- Anyone riding a bicycle after dark must have proper working headlights and taillights; violators will be fined \$25.
