

NEWSLETTER - FEB. 2023

There's a touch of spring in the air at your happy place, so we thought it would be a great time to update you on what we're working on ahead of the spring & summer seasons!

BATHHOUSE IMPROVEMENTS

The extensive renovation project at Bathhouse 5 is nearing completion! Contractors are working to install the doors to the stalls, as well as the sinks & toilets.

Bathhouse 6 is also in the middle of a remodel. Once it's back together, it will match the look of Bathhouse 5.

Before Easter, all bathhouses will also be power washed and freshened up for guests.

1600 - 1700 ROW UPGRADES

Our team continues to use the winter months to improve campsites. This year, it was the 1600 - 1700 row's turn for utility upgrades. Our team installed new plumbing & pedestals to the sites along this row.

The new pedestals are outfitted with lights that turn on automatically, making it easier for guests to find their sites & hook-up their rigs after sunset.

A NEW OCEANFRONT EXPERIENCE

The 2100 row is offering guests a more elite oceanfront camping experience! Sites along this row were paved this winter. The new sites also feature paver patios & space to park your vehicles. These sites also measure at more than 50 feet in length, making them big rig friendly!

2ND STREET PAVING

The next time you cruise through the resort, you'll notice 2nd Street looks & feels different! A drainage pipe was placed under the roadway, making it possible to level the street out. This will make it easier for guests to pull in and out of sites along the 1200 & 1300 rows.

PUTT PUTT FIXER UPPER

Rivertown Golf is getting some touch ups this month. Our team is replacing loose boards, laying down fresh carpet and touching up other parts of the attraction in order to make it more enjoyable to guests!

THANKS FOR VOTING IN THE CAMPER'S CHOICE AWARDS!

Lakewood Camping Resort brought home three of five awards in the Camping Carolinas Camper's Choice Awards!

Throughout the month of January, campers were able to vote for their favorite resorts in 6 regions in North & South Carolina. The categories included Best Overall Campground & RV Park, Best Customer Service, Most Family Friendly, Best Unique Lodging & Best Kept Secret.

During the 2023 CARVC Conference in Myrtle Beach, Lakewood Camping Resort was presented with awards in the categories for Best Overall Campground & RV Park, Best Customer Service and Most Family Friendly!
