

NEWSLETTER - MARCH 2023

BATHHOUSE UPDATES

Bathhouse 5 reopened to guests last week after an extensive renovation! Bathhouse 6 is also just days away from welcoming guests again. Both were transformed over the winter to a more modern & welcoming design. Each shower includes a bench and guests will find changing tables in both the men's and women's sides!

BEACHFRONT SEATING

The next time you grab a bite from one of our on-site food trucks, you'll have an improved beachfront deck to enjoy your meal on! Once new picnic tables are added, this is sure to become one of the most popular spots in the park!

IMPROVING ACCESSIBILITY

We've received a lot of questions about beach access plans for the north end after Hurricane Ian changed the landscape of the northern swash access. Work got underway this week to add a ramp to the dune cross over at 18th Avenue. This ramp will be ready for your carts, wagons, wheelchairs & rolling coolers very soon! The basketball courts are also handicap accessible now, with the addition of a concrete ramp!
