

## NEWSLETTER – APRIL 2023

### ALL AMENITIES ARE BACK OPEN!

It's game on at Lakewood Camping Resort this spring! With the Arcade & Rivertown Boats & Golf officially open for the season, ALL Lakewood amenities are once again available to our guests. The Arcade reopened earlier this month after undergoing an overhaul due to damage from Hurricane Ian last fall. The Arcade is filled with new games for your family to enjoy. Rivertown Golf also reopened in early April after receiving some TLC. Our team put down fresh carpet for your putting pleasure.

### PERRY ISLAND REVAMP

Perry Island is one of the first things guests see when they pull into Lakewood for their getaway. The next time you roll in, you'll notice the site looks much different! The Island, which is home to concerts & available for private events, offers guests a tranquil escape from the buzz of the oceanfront. A new firepit, pavers, fresh sod, fencing, landscaping and a new light system make Perry Island the perfect place to sit back & relax! We can't wait to share it with you this summer!
