# WELCOME TO LAKEWOOD CAMPING RESORT!

Welcome To Lakewood Camping Resort, Where Families Have Vacationed Since 1959!

We appreciate you choosing Lakewood Camping Resort as your vacation destination. We hope you enjoy your stay with us.

Lakewood Camping Resort was the first privately owned Campground on the Grand Strand.

We have grown to become the best place in Myrtle Beach for families to vacation. Which is why it's no surprise that we were named the National RV Park of the Year and Best of the Carolinas multiple times.

In 2023, we were awarded three Campers Choice Awards by Camping Carolinas for Best Customer Service, Most Family-Friendly & Best Overall Campground & RV Park for the South Carolina Coast region. We are also proud to have been awarded the "Plan-It-Green" award for our efforts in being Eco-Friendly.

COME & SEE WHAT YOU CAN EXPERIENCE WHEN YOU DISCOVER LAKEWOOD CAMPING RESORT FOR YOURSELF!

Here at Lakewood Camping Resort, we have always embraced a camping culture that encourages interacting with people, every day, who want to be a part of the journey, not just the destination. It was once said that "everywhere you go becomes a part of you somehow." Our hope is that Lakewood will become a part of you somehow, and that you'll take a piece of what you experience here, back with you. But, our bigger hope, is that you'll leave a small piece of yourselves here with us. That a part of your soul will stay here, and contribute to the energy that envelopes this place, and will one day draw you back to us...

## HOW WE SETUP CAMP...

Established in 1959, Lakewood Camping Resort was the first privately owned campground on the Grand Strand. Today, more than sixty years later, we are proud to say that we are still a family owned and operated company.

Lakewood was founded by Carl and Marion Perry, and developed along with their children, Don, Phillip, Barbara, and Shannon.

After moving his family from Lake City, SC, to Myrtle Beach, Carl found a small piece of property adjacent to the Air Force Base, on which he built modest cinder block houses that he rented out to military personnel. But, he was soon inspired by the State Park, which was across the street, and he converted the property into Myrtle Beach's first privately owned campground. He named it Camp Beachwood. He found immediate success, by offering amenities not available in the State Park; and soon the business outgrew the land. So, in 1961, he acquired the beach-front property we now occupy, and changed the name to Lakewood Family Campground.

By the early sixties, Carl and Marion's kids had become an integral part of building the business. As young parents, raising their own families, they offered the

essential perspective of what young families were looking for in a vacation destination. Answering this question has remained the central philosophy driving everything we do, to this very day.

In 1980, Carl passed away, and the children, collectively, took up the mantle of running the business. All of them loved to travel, and they soon combined what they loved about many of the first class resorts they had visited, with what they loved about camping, and created the worlds first camping resort! Adding conveniences, and amenities never before seen in a campground, and changing the direction of an entire industry. Becoming that by which all other campgrounds are measured.

Today, the ownership, board of directors, management, and employees extends into the third, fourth and fifth generations. Maintaining the original idea, that a family running a business designed to host other families will always will be the best design. Input from five generations, allows us to continue to innovate, and set the trends that will not only take us into the future, but will continue to push our industry there as a whole.

The family can not thank, nor credit, the families who have been on this journey with us enough. You have always played a critical role in our growth. We hope to continue our partnership with you, our campers, for generations to come.

*- Thank you!*

## OCEANFRONT PLAYGROUND

Christopher's Playground is the perfect place for the youngest campers in your group to run free! The oceanside play area features two structures, one for children ages 2 -5 and one for children 6 & up. Christopher's Playground also features a molded bucket seat swing with harness for ages 5-12, one standard toddler swing and two standard swings. We also laid down a mat to make the swings accessible to guests in wheelchairs.

The playground is dedicated to a young life lost too soon. Christopher Morris Jr., the great-grandson of Carl & Marion Perry, Lakewood's founders, passed away at the age of 6 due to health complications. While his soul has gone on to heaven, his memory lives on through the happiness this new playground brings our young guests.

At Lakewood Camping Resort, we believe family-fun shouldn't always include an additional price tag. When you explore the resort, you'll find most of the amenities we offer are included in the cost of your stay!

### RIVERTOWN BOATS & GOLF

Myrtle Beach is the Mini Golf capital of the world, but there is no need to leave Lakewood to enjoy this fantastic family pass-time. Lakewood has its very own 18-Hole Putt Putt course – Rivertown Golf! It's a Low Country themed, riverfront course running along the bank of Crater Lake, and it is sure to be a highlight of your visit!

After some friendly competition, take a spin around Crater Lake inside your boat of choice! Our fleet includes pedal boats, canoes and kayaks!

Rivertown Boats & Golf is also where you can check-out a bicycle to explore our nearly 300 acre resort on two wheels! We have bikes for adults, teens and even our younger campers who may be in need of training wheels!

We love to hear about the lasting impressions Lakewood Camping Resort leaves on our guests, many of which return year after year to make new memories.

One of those families is the Bright family from King, North Carolina!

For a remarkable 45 years, Lakewood Camping Resort has been the backdrop to Christine Bright's cherished family traditions, and we couldn't be more thrilled to share her heartwarming story with you!

Lakewood holds a special place in her heart, a serene escape from city life that has been passed down through generations. Christine fondly recalls her childhood days here, where she experienced the kind of freedom that only Lakewood could offer.

Today, Christine and her husband continue to create lasting memories at Lakewood. His infectious enthusiasm for our iconic golf cart parade serves as a reminder to all of us to embrace our inner child and celebrate the simple joys of life.

But what truly makes their Lakewood experience exceptional are the lifelong friendships they've nurtured within our community. These bonds are as enduring as the memories they've created together.
