WELCOME TO LAKEWOOD CAMPING RESORT!

Where families have vacationed since 1959! We appreciate you choosing Lakewood Camping Resort

as your vacation destination and hope you enjoy your stay with us.

As Myrtle Beach's first privately owned campground, Lakewood has grown to become one of the best places on the Grand Strand for families to vacation. We're proud to have been named Best Campground on the Grand Strand for five years running, the 2024 Mega Park of the Year by the Outdoor Hospitality Industry, and most recently the 2025 Plan-It Green Innovator of the Year Award winner for our commitment to eco-friendly practices.

Since 2025, we've continued to make improvements inspired by you, our guests. More than 100 new paved campsites with beautiful paver patios have been added across the resort. We also partnered with the Adaptive Surf Project to expand accessibility along our oceanfront, adding Mobi-Mat pathways, beach wheelchairs, beach walkers, and even an adaptive wave-ski designed for catching waves. In late 2025, Rivertown Golf closed for a complete remodel to bring even more family fun to the lakefront. The new 18-hole course includes a 10-hole

wheelchair-accessible path, making it easier for putters of all abilities to enjoy Myrtle Beach's favorite pastime without ever leaving the resort.

The 2026 season marks a milestone as we celebrate the 50th Season of High Steppin' Country, our live, family-friendly variety show that has become a true Myrtle Beach tradition. Originally created by Phil Perry and his wife, Gail. The show remains a family production, now led by Phil's daughter Karla Mauldin and daughter-in-law Rhonda Perry.

Here at Lakewood Camping Resort, we have always embraced a camping culture that brings people together—where every guest becomes part of the story. It was once said that everywhere you go becomes a part of you somehow.

We hope that Lakewood becomes a part of you, and that you'll take a piece of what you experience here back with you. But our bigger hope is that you'll leave a small piece of yourself here too, adding to the spirit that makes Lakewood so special and keeps guests returning year after year.

CARL & MARION PERRY
Founders, Lakewood
Camping Resort

HOW WE SET UP CAMP

Established in 1959, Lakewood Camping Resort is Myrtle Beach's original camping resort. Today, more than sixty years later, we are proud to say that we are still a family-owned and operated company.

Lakewood was founded by Carl and Marion Perry, and developed along with their children, Don, Phillip, Barbara, and Shannon.

After moving his family from Lake City, SC, to Myrtle Beach, Carl found a small piece of property adjacent to the Air Force Base, on which he built modest cinder block houses that he rented out to military personnel. But, he was soon inspired by Myrtle Beach State Park, which was across the street, and he converted the property into Myrtle Beach's first privately owned campground. He named it Camp Beachwood. He found immediate success by offering amenities not available in the State Park, and soon the business outgrew the land. So, in 1961, he acquired the beachfront property we now occupy and changed the name to Lakewood Family Campground.

By the early sixties, Carl and Marion's kids had become an integral part of building the business. As young parents, raising their own families, they offered the essential perspective of what young families were looking for in a vacation destination. Answering this question has remained the central philosophy driving everything we do to this very day.

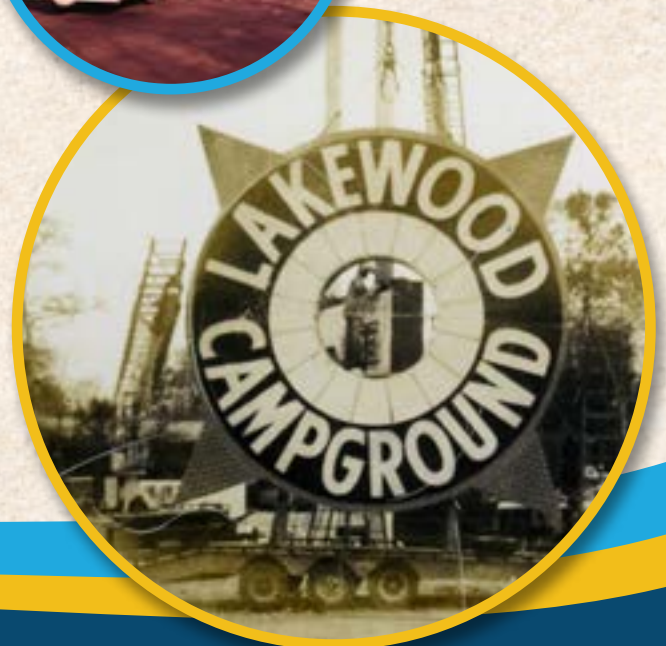

In 1980, Carl passed away, and the children, collectively, took up the mantle of running the business. All of them loved to travel, and they soon combined what they loved about many of the first-class resorts they had visited with what they loved about camping and created the world's first camping resort!

Adding conveniences and amenities never seen in a campground, and changing the direction of an entire industry.

Today, the ownership, board of directors, management, and employees extend into the third, fourth, and fifth generations. Maintaining the original idea that a family running a business designed to host other families will always be the best design. Input from five generations enables us to continue innovating and setting trends that will not only propel us into the future but also push our industry forward as a whole.

The family can not thank, nor credit, the families who have been on this journey with us enough. You have always played a critical role in our growth.

We hope to continue our partnership with you, our campers, for generations to come.
– Thank You!

A LOT MORE THAN JUST CAMPING

Lakewood Camping Resort's variety of amenities gives families the chance to turn their vacation into a truly memorable experience that exceeds expectations. From thrill seekers to beach lovers and everyone in between, Lakewood is a playground for all ages.

GO FROM SITE TO SAND

Bury your toes in the sand along our half-mile stretch of beach. With 11 beach accesses conveniently located along the oceanfront, including three with ramps, you're always just steps from the shore at Lakewood Camping Resort.

THE BEACH IS FOR EVERYONE

At Lakewood, we believe everyone deserves to experience the joy of the ocean. In partnership with the Adaptive Surf Project, we expanded our commitment to accessibility in 2025 by adding mobility mats and ramp access at the 18th Street Beach Access and the Indoor Pool Beach Access. Each location also features a Waves & Wheels Station, stocked with beach wheelchairs and walkers available for guest use on a first-come, first-served basis.

OUTDOOR POOL & WATER PARK

Cool off and make a splash in our 38,000-square-foot Water Park and Outdoor Pool. Thrill seekers can test all three waterslides — a traditional tube slide, a body slide, and a super-speed slide — totaling more than 530 feet of fast fun. Then, take it easy on our 525-foot Lazy River and let your cares float away.

Our youngest guests can splash and play all day at our seaside Splashpad, complete with interactive water features. The Outdoor Pool area also includes a kiddie pool designed to let little ones relax and play safely.

HOURS:

- **Outdoor Pool:** *Open Daily, March - November. Weather Permitting.*
- **Water Park:** *Open Daily Memorial Day - Labor Day. Hours vary during the off-season. Visit the Lakewood Camping Resort App for more information.*
- **Children's Splashpad:** *Open daily Memorial Day - Labor Day. Hours vary during the off-season. Visit the Lakewood Camping Resort App for more information.*

HEATED INDOOR POOL

Our heated Indoor Pool is open year-round and features a relaxing hot tub. Step out onto the sun-deck overlooking the beach for a peaceful escape. Lounge in the ocean breeze, listen to the waves, and unwind in total comfort. Stay up to date on hours of operation by downloading the Lakewood Camping Resort mobile app.

OCEANFRONT PLAYGROUND

Christopher's Playground is the perfect place for the youngest campers to play freely. This oceanside play area features two play structures, one for ages 2–5 and another for ages 6 and up. The playground also includes a molded bucket seat swing with a harness for campers ages 5–12, one toddler swing, and two standard swings. A ground-level mat makes the swing area accessible to guests using wheelchairs.

Christopher's Playground is dedicated to the memory of Christopher Morris Jr., the great-grandson of Lakewood founders Carl and Marion Perry. Christopher passed away at age six due to health complications, but his joyful spirit lives on through the laughter of children who play here each day.

At Lakewood Camping Resort, we believe family fun shouldn't always include an additional price tag. When you explore the resort, you'll find most of the amenities we offer are included in the cost of your stay!

LAKWOOD'S MINIATURE GOLF

Myrtle Beach may be the Mini Golf Capital of the World, but you

don't have to leave the resort to enjoy this classic family pastime. Lakewood is home to its very own 18-hole miniature golf course along the banks of Crater Lake.

In late 2025, the course received a complete renovation, transforming it into a fully refreshed, riverfront-style layout with brand-new theming. The redesign also introduced an accessible pathway through 10 of the 18 holes, making it easier for putters of all ages and abilities to join in on the fun.

Whether guests are playing for bragging rights or simply for laughs, Lakewood's Miniature Golf is sure to become a highlight of your stay at Lakewood.

After sinking the last putt, enjoy a peaceful lap around Crater Lake in their boat of choice — pedal boats, canoes, and kayaks are all available for guests.

The Boats & Golf area also offers bicycle checkouts, giving families a fun way to explore nearly 200 acres of the resort on two wheels. Bikes are available for adults, teens, and even young campers who need training wheels.

SPORTS AMENITIES

There's no harm in a little friendly competition! While you're enjoying your beachfront getaway, test your skills at several sports.

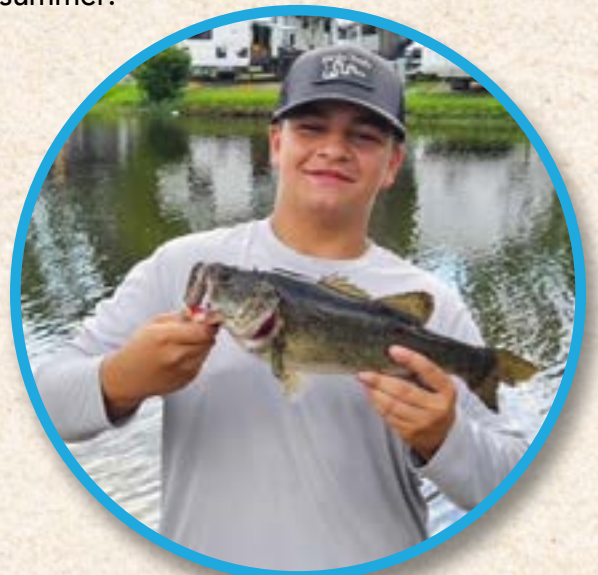

- Pickleball
- Basketball
- Cornhole
- Beach Volleyball
- Ping Pong
- Disc Golf

Guests without the proper gear can just visit the Information Center to check out sporting equipment.

CAST A LINE

If you're looking to reel in a good time without leaving the park, we have you covered! Lakewood Camping Resort's landscape includes two freshwater lakes, Lake Perry & Crater Lake, for your fishing pleasure. You can also purchase a fishing license at the Information Center to cast a line along the shore or in Buccaneer Bay.

Be sure to check our activity schedule for our Youth Fishing Tournaments held regularly throughout the spring & summer!

LIVE ENTERTAINMENT

There's no need to leave the resort for live entertainment. At Lakewood, the show comes to you! From pop-up performances to large-scale productions, we fill the year with live music and special events across multiple venues.

Lakewood Camping Resort is home to the only outdoor, beachfront amphitheater on the Grand Strand, The Theater by the Sea. This one-of-a-kind venue hosts concerts, worship services, and our signature production, High Steppin' Country, which will celebrate 50 years of family entertainment

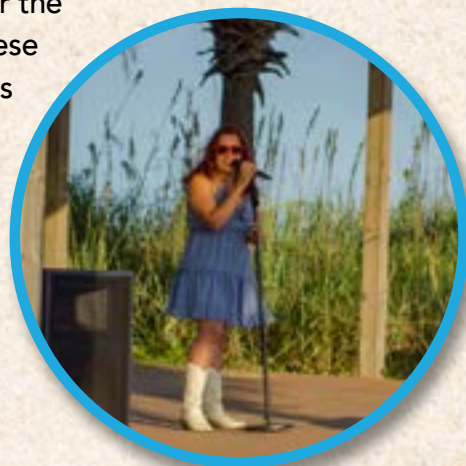

in 2026. Over the years, the stage has also welcomed GRAMMY Award-winning artists, including Jason Crabb & Josh Turner, as well as many other incredible talents like Katy Nichole. Ben Fuller. Each October, the amphitheater transforms into the spook-tacular home of Ghoul

Vibrations, the only Halloween variety show on the Grand Strand.

Guests can also enjoy live music at our Sand-N-Surf Stage, where you can dance barefoot in the sand or park your golf cart to enjoy the ocean breeze.

Pristine Perry Island sets the scene for select concerts throughout the year, offering a laid-back atmosphere that's just as beautiful on a summer night as it is on a crisp fall evening.

And for those spontaneous moments of fun, don't miss our Pop-Up Concerts. These surprise performances take place throughout the resort in some of our busiest spots. Whether you stumble upon one near the pools or the Trading Post, these unplanned shows are the perfect reminder that at Lakewood, the music never stops.

WE HAVE EVERYTHING YOU NEED

You'll never go hungry or thirsty with our sea of food venues and carts, ice cream parlors, coffee house, general store, and pop-up food trucks here on the resort.

TRADING POST - DINE-IN, CARRY-OUT, SHOP AROUND!

The Lakewood Trading Post is our seasonal all-in-one general store where you can shop, eat, or simply relax. This 5,000 sq. ft. facility offers grocery items, camper supplies and equipment, fishing gear, beach toys, snacks, swimwear, and plenty of souvenirs to help commemorate your visit. It's everything you need to enjoy your stay without ever leaving the resort.

Start your morning with breakfast from the Snack Bar, swing by mid-day for lunch, and come back for dinner to refuel after a full day of fun in the sun. You can carry your food back to your campsite or take a seat and dine in with us.

Afterwards, treat yourself to a scoop (or two) of delicious Blue Bell ice cream from our Trading Post Creamery. With more than two dozen flavors to choose from, this may just be the toughest decision you'll make during your beach vacation.

The Trading Post is open daily from Easter through Thanksgiving. Hours may vary in the late fall and winter months. Visit the Lakewood Camping Resort App for our latest hours!

HIGH STEPPIN' COUNTRY - CELEBRATING 50 YEARS OF FAMILY ENTERTAINMENT!

High Steppin' Country—celebrating its 50th season—stands as the longest-running live show on the Grand Strand. And you can only experience it at Lakewood's Theater By The Sea, the area's only outdoor, beachfront amphitheater.

This high-energy, two-hour variety show features a dynamic mix of music spanning old and new country, gospel favorites, patriotic medleys, and special themed segments each year. For the 50th season, the cast will highlight nostalgic hits from the 1980s, giving longtime fans a chance to relive iconic moments and introducing a new generation to classic favorites. Kids will also get their time in the spotlight as they join the cast onstage to "walk the dinosaur" with Jellyfish, the High Steppin' Country mascot.

Founded in 1976 as the brainchild of the late Phillip Perry and his wife Gail, High Steppin' Country is now produced by his daughter Karla Mauldin and daughter-in-law Rhonda Perry. For its first 33 years, the show was directed and choreographed by Emmy Award-winner Mallory Graham. In 2021, Phil's granddaughter and former cast member

Abigail Perry joined the production team as choreographer, working alongside musical director Kraig McBroom, who has shaped HSC's harmonies since 2009.

With its young, talented cast, High Steppin' Country has launched countless careers—it was the starting place for country super-

star Josh Turner; alumni have gone on to perform on Broadway, in film, and on television.

Performances take place every Tuesday, Thursday, and Saturday night throughout the summer. Guests may reserve seats at the Information Center, and due to the show's popularity and iconic status in local entertainment, it is also open to the public. Join us as we celebrate 50 unforgettable seasons of music, tradition, and family fun at Lakewood's Theater By The Sea. Check the Lakewood Camping Resort App for this summer's show schedule!
